"FLOURISHING IN THE ARTS"

Dear OLP Families,

The Fine Arts are an integral part of a child's development that we always celebrate at Our Lady of Peace. We are happy through group classes, show performance, community programs and involvement, and fine arts assemblies to offer experiences and exposure for our students.

This year we will continue to offer both individual specialization and class opportunities for students. Also, I include an outline of our Fine Arts Assemblies. You are always welcome to attend. Please read outlined information. A schedule will then be completed and returned to you. We're always excited about these opportunities for our students.

Liturgical Musician & Teacher - Mrs. Michelle Kline

Mrs. Kline will be our musician at the 8:45 Masses on Fridays and teach classes each Friday for Grades K-8.

Children's Choir - Mrs. Kline will also be offering the option of the Children's Choir for students in Grades 3-7.

Art Instructor - Mrs. Amy Thalman ~ Classes will be held on Wednesday.

After School Art Class - Mrs. Thalman will again offer After School Art Classes on Wednesday from 3:00-3:45. The cost is \$10.00 per class.

Thank you,
