

“Final PK 3 Note”

Dear PK 3 Parents,

**Combined A.M/P.M Class** – Our final class on Thursday is a combined one. We start at **8:30 and end at 11:00**. This is always lots of fun. Please send backpacks as I will be sending home change of clothes, smocks, assessments and suggested work for the summer. If I am able, I may send these home on Tuesday.

**School Picnic** is Thursday May 31<sup>st</sup>. Please come! It is held at Wheeling Park in the big shelter over by the playground. Check with our school office for your wrist band and reservations. I still enjoy the Playground.

**Cutting skills** – I ask that you please work on cutting skills over the summer. We will be doing considerable cutting in PK 4. Writing names?! Please, follow the work sheet that I am sending home. Use Capital letter first followed by lower case. Example: Mary

**Missing library books** – The library is asking for them to be returned. A bill will be sent out for all missing books.

**My last day is** Friday, June 1<sup>st</sup>. If you have any questions, I'm in the classroom till that time.

**Conclusion** – It has been a fast and wonderful year! Each child has grown and developed. What a joy each one is to me! Like my June roses, each one is unique and blooms on its own internal clock. I never tire of teaching preschoolers. They are truly a miracle. God smiles in their eyes. Have a great summer!

Sincerely,

Mrs. Pollack
