

Monday February 12th, 2018

Dear Preschool Parents,

PK 4 will not be having class on Friday, February 23rd This is due to the OLP Kindergarten screening. Please call the office for an appointment! The number is 304-242-1383. There are people here from Marshall County Dental Dept., Marshall County Speech Dept., and Marshall County Health Dept. This is important. Mrs. Glenn and I will be doing the Kindergarten Reading Readiness Assessments and developmental assessments.

The PK 4 Valentine Parties will be great. They are today. Thank you to the parents hosting these parties.

PK 3 classes will have their parties on Tuesday.

PK 4 classes are to bring in a Rock on this coming Friday. We will be painting rocks and learning all about them. Please keep them small enough to fit on a paper plate.

Library is this week. Things are getting back on track. I am still catching up on my lesson plans. March calendars are coming home next week.

Spring Parent-Teacher Conferences are on (PK 4) Wednesday, March 21st and Thursday, March 22nd, for PK 3. I will be putting up sign-up sheets in a **couple** of weeks. I will start spring assessments the first week in March. If your child is absent, I will have to pick them up before or after class. I will make an effort to pick them up during 'Free Choice time'.

Themes this week center round the letter Rr, rocks, and robots. In Social Studies, we are learning about Presidents. In math, shapes will be explored. We will also continue studying shapes. PK 3 will have special unit called "Here comes the circus". It should be a **rolling and rocking week!**

Happy Valentine's Day!

Mrs. Pollack
