SEPTEMBER 2021

SCHOOL NEWSLETTER

From the desk of Mrs. Kerr...

Father Joseph and I agree—we are off to a great start!

It's going to be an excellent year to watch our students learn, grow, and achieve.

The staff, countless volunteers, and teachers have truly worked hard this summer to bring a year that is challenging, exciting, and faith filled. I'm certain the memories we make will be cherished for years to come.

This year, as the People of Peace, we will concentrate on reaching our goals and building our character as we strive to ask ourselves how we can Build Peace in all ways - in our Faith, in our Academics, and in the way we serve others.

There are so many ways to bring Peace to our community and world. What we have to do, first and foremost, is love God with all of our heart, mind, and soul and know He has given us the talents to create Peace. By serving others, spreading kindness, and keeping our faith alive, we can reach our goal.

Here at Our Lady of Peace, our mission is real and it is lived out - to be the People of Peace. So this year, let's go above the norm and do things a little better, with a little more love and a little more thought. Let us find joy in the Virtues, and together, let's be inspired to make our world, community, and school a better place. We have the ability to empower our students which ultimately will change the world even if it is with one small act at a time.

Let's make 2021-22 a great school year! Thank you for being a faithful part of Our Lady of Peace.

With Peace,

Mrs. Kerr

PROTECTING GOD'S CHILDREN

Virtus Training set for 6pm, Sept. 23rd

Through the Virtus—Protecting God's Children class we work for a child-safe environment, and empower caring adults to protect children. We begin by making adults of the parish and school that interact with children aware of how best to guard them.

Virtus training is an awareness session instructing adult volunteers and staff to have continuous awareness and vigilance at all times.

AT OLP THIS CLASS IS MANDATORY for everyone who will be volunteering in any capacity here at the school. If you have not been to a Virtus Training class you need to attend this session. Plan to be here. We begin at 6pm, Sept. 23rd in Battaglino Hall .

Class Night-Parents Go to School!

At OLP we welcome parents to literally sit in the seat of their student on Sept. 9th at 6:30pm. Plan to join us for an evening to share an outline of what your child will learn in the course of the year, what the classroom expectations are and how to get help or contact the teacher when needed.

Refreshments will be served and PAW Passes (no uniform pass) will be given to children whose parent attends. As an added bonus, Mrs. Kerr will have a drawing for gift certificates that include Scrip and Tuition Credit!

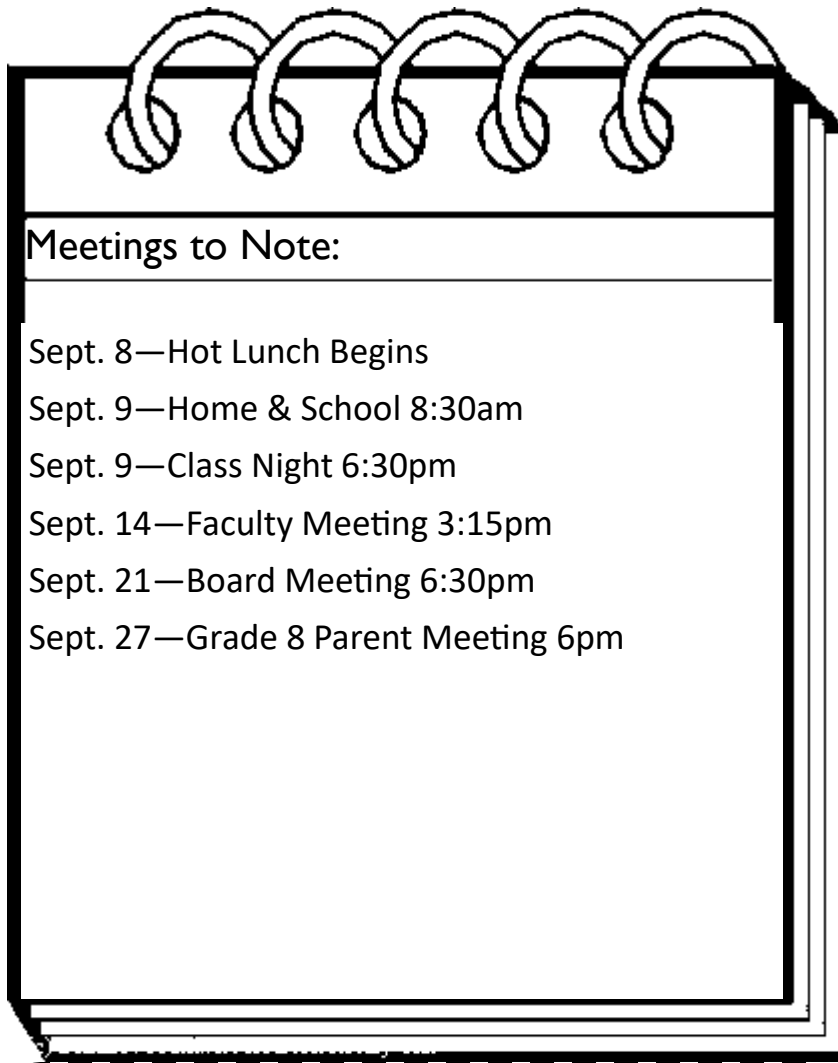

It's time to...

Build Peace!

**It's Fun Run Time!
Pledges Due Sept. 17th**

On Friday, Sept. 24th we will have our 2021 Fun Run! This is our biggest student lead fun and fundraiser at OLP. Each student must raise a minimum of \$20 to earn a shirt and a day of fun with inflatables . The students will be entered into prize drawings at a special awards day later this fall, when we will announce our top 10 students who raised the most money. Those students will be whisked away for a day of fun. Last year our top 10 raised at least \$275 each and were treated to a day at Dave and Bust-ers in Pittsburgh.

Virtus Training

Protecting Our Children Virtus Training is set for 6pm Sept. 23rd! Virtus training is a live awareness session for adult volunteers and staff. This class is set up to protect children. At OLP **this class is mandatory** for everyone who will be volunteering in the school!
